January 14, 2019 at 7PM in Small Commons

**Attendees:** Tana Jo Neliton, Doug Peterson, Rocio Avila, Kelly Nelson, Connie Bellman and Casey Woolley.

### **1. Welcome:**

### **2. Turf Overview:**

- Board meeting voting tomorrow starting at 5:45pm. Asking for people to come support. Turf field and new track. Wants district to pay for first one, as a show of faith to the community that they are putting money where their mouth is. They also will not be allowing any outside use of this field, so they do not want any community donations to go towards building it.
- Wanting a commitment to helping out with phase 2 & 3.
- Wanting sponsors to elect to pay \$25,000 a year. They would get representation at the school on the field.
- Eco fill, not rubber. Increases density. Has the highest G max rating and will help prevent concussions.
- Wants to try to sell 10 spots of advertising for \$25,000 each.
- The fields will bring a huge advantage to our town.
- Last 3 years we received \$400,000 a year. They had to use the money to do the weight room, padding in the gyms, score boards, etc.
