

## **Woodburn Bulldog Foundation Meeting Minutes**

March 18, 2019 at 7pm in Small Commons

**Attendees:** Doug Peterson, Tana Jo Neliton, Rocio Avila, Connie Bellman

- 1. Banking Statements:** Still looking really good. We made a donation to boys basketball for snacks for championships.
- 2. Legacy Donation:** Legacy is not doing any donations at the moment. They are going through some financial issues and have put a hold on all donations.
- 3. Local Businesses:** We need to gather emails and addresses for local businesses and have them ready by the next meeting.
- 4. Spring Concessions:** They don't do spring concessions. Concessions have already closed. Product is sold out for now.
- 5. WBF Advertising:** Would like to have everything ready for football season. Get prepped for registration and have merchandise to sell.
- 6. WBF Gear:** Maybe buy sweatshirts over summer? We are struggling to find the right ones. Would like them to be dri-fit. There is a place in Canby to check out. Would also like to check out Galaxy. JP gave a name- Kathy in Springfield- and Rocio has a catalog from them that we can look at.
- 7. Other:** We will look into changing sponsorship- asking for only \$100 or \$150 donations for the 8.5/11 logo at concessions. Thought we might get more sponsorships if we lower the price??
- 8. Other:** High school softball varsity are going to participate in a tournament in Seaside. They are asking for money for food. They filled out our request

form and submitted it to us. We have agreed to \$180, which is \$10 per person, including coaches.
